

Louisiana State University
FY 25-26 Approved Service Centers
Revised November 3, 2025

College of Science

- Chemistry Stockroom
- Liquid Nitrogen Cost Center
- Technical Services Group
- X-Ray Crystallography Lab
- Chemistry Mass Spectrometry
- X-Ray Diffraction Laboratory
- Nuclear Magnetic Resonance (NMR) Facility
- Chemistry Shared Laboratory for Macro and Biomacromolecular Research (SLMBR)
- Geomaterials Characterization Laboratory
- CENEX

College of Engineering

- Advanced Manufacturing & Machining Facility (AMMF)
- Materials Manufacturing, Testing and Evaluation Facility (MMTEF)

School of Mass Communication

- Public Policy Research Laboratory (PPRL)

School of Veterinary Medicine

- Histopathology Core
- Inhalation Research Facility
- Advanced Imaging Laboratories
- Gene Probes & Expression Lab
- Pathobiological Sciences Core
- Life Science Animal Care Facility (LSACF)
- DLAM Farm Operations
- Division of Laboratory Animal Medicine (DLAM)
- Clinical and Analytical Pharmacology Laboratory

Office of Research & Economic Development

- Shared Instrumentation Facility (SIF)

CAMD

- CAMD Beamlines
- CAMD Cleanroom/LSU Nanofabrication Facility (NFF)

ITS

- Infrastructure as a Service (IaaS) & Storage

College of Coast & Environment

- Wetland Biogeochemistry Institute Analytical Services (WBIAS)
- Coastal Studies Institute – Field and Lab Services

Field Support Services

LSU Agricultural Center

- Greenhouse Services Center
- Callegari Water Quality Lab
- AgCenter Biotechnology Lab

Pennington Biomedical Research Center

- PBRC Comparative Metabolic and Behavioral Core
- PBRC Genomics Core Lab
- PBRC Clinical Super Core
- PBRC IDR Core
- PBRC Comparative Biology
